His call for 125,000 volunteers specifles that the men shall volunteer to serve for two years, unless sooner dis. charged, and the war revenue bill, prered under his direction by the Ways and Means Committee of the House which is now before Congress and which will be put through without any annecessary loss of time, is another in lication of his intention to be prepared for any emergency It provides for an addition of \$100,000,000 a year to the revenuet of the country by internal revenue taxation; for the issuing of \$500 000,000 in 3 per cent bonds to run for twenty years, or to be redeemed af ter 10 years at the option of the gov eroment, and authorizing the issuing of 8 per cent certificates of indebted ness by the treasury for any portion of \$100 (00,000 that may be needed. Congress is responding to the wishes of the President in a highly creditable manner. It promptly passed the bill authorizing the formation of a volunthat a state of war existed.

There are all sorts of reports as to what Spain is doing and is going to do with her warships but it looks as though she is afraid to send her big fiee of ships to the assistance of Cuba and is keeping them on the other side of the Atlantic, where their most dangerous occupation until we have cappered to the sountry visiting friends.

SOMETHING NEW IN WARFARE.

Justice will come when we whip Spain.

The U.S. will use balloons in actual military service for the first time, in Cuba, although their usefulness has been fully demonstrated sometime.
